

Box Customer Subscription Agreement

- You must order a minimum of 5 titles. These can be single issues, graphic novels, or a mix of both.
- There will be a one-time deposit of \$20. This deposit is refundable as credit towards any store merchandise should you close your account. It will **NOT** be refunded if **WE** are forced to cancel your orders.
- You agree to come in *at least once per month to pick up your orders.* We will hold your books/orders for a maximum of 2 months with no contact from you. If at the end of the 2nd month you have not made arrangements to purchase your orders, your subscriptions will be cancelled and all merchandise, which has not been pre-paid, will be confiscated. You also forfeit the \$20 setup charge as a restock fee. Should you be unable to come in for an extended period of time, but wish your books held, *please just let us know.* We will be more than happy to make special arrangements to accommodate you.
- Any special-order item of \$50 or more must be pre-paid. This includes statues, action figures, toys, games, special-edition books, multimedia, etc. We will create a credit sheet for you until the item ships. If the item does not ship, or is allocated, you can apply the credit to any other purchases.
