

Box Customer Subscription Agreement

- You must order a minimum of 5 titles per month. If you order 5-15 titles, a 10% discount applies. 16-25 titles qualify you for a 15% discount. If you order 26 or more titles, a 20% discount applies. This discount applies to all your comic purchases whether you are subscribed to the title or just pull an issue off the rack! Previews Catalogs will be available for purchase and will count as one title towards discount tiers. Should you not wish to purchase Previews Catalog, loaner copies will be made available, but must be returned.
- Storewide Merchandise Discount. In addition to your comic book discount, box customers receive a flat 10% discount on all *other* items in the store (*gift cards not included*) i.e. Supplies, Trade Paperbacks, Hardcover, Back Issues, Action Figures, Statues & Busts as well as games or any other special-order items!
- There will be a one-time deposit of \$20. This deposit is refundable as credit towards any store merchandise should you close your account. It will **NOT** be refunded if **WE** are forced to cancel your orders.
- You agree to come in at least *once per month* to pick up your orders. We will hold your books/orders for a maximum of 2 months with no contact from you. If at the end of the 2nd month you have not been in to purchase your orders, your subscriptions will be cancelled and all merchandise, which has not been pre-paid, will be confiscated. You also forfeit the \$20 setup charge as a restock fee. Should you be unable to come in for an extended period of time, but wish your books held, *please just let us know*. We will be more than happy to make special arrangements to accommodate you.
- Any special-order item of \$50 or more must be pre-paid. This includes statues, action figures, toys, games, special-edition books, multimedia, etc. We will hold your check/credit card number until the item ships. If the item does not ship, or is allocated, your check will be returned to you uncashed, or your credit card not charged.
